\* 6.4.COVID 19 adjustment: Due to the limited number of tournaments in 2020 (4 instead of 6), the Belgian Padel Tour Ranking will be determined as follows: The ranking is composed of the "weighted average" of the rankings points of the 2 best tournament results. In case 2 or more tournaments are played, the average of the best 2 ranking points will be taken to determine the ranking. In case only 1 tournament was played, the weighted average is determined by the earned ranking points divided by 1,35.
